D 103.39:

The Humphreys Engineer Center Technical Library is located on the third floor of the Kingman Building. The library currently subscribes to over 500 scientific and technical journals. This publication lists them alphabetically by title and provides the inclusive dates.

Back issues of journals may be borrowed for a two week loan period. Current issues, bound volumes, and microform copies may be used in the library. A microfiche reader/printer and photocopier are available for your use.

Access to journals not included in this publication, and other materials not owned by the library, may be obtained through Inter-Library Loan service. For more information about this and other services provided by the Technical Library, call (703) 355-2386 or 2387. The hours of operation are Monday through Friday 0730 - 1630.
